Year 1 Excursion to Australian National Maritime Museum

Last Friday Year One went to the City to look at different types of transport. The following are inserts from students of Year 1:

"My favourite part was when we went on the river cat because it was very fast." By Jordan Villaruel 1B

"My favourite part of the excursion was when we went to the museum because there was lots of cool stuff." By Angelo Dela Paz 1B

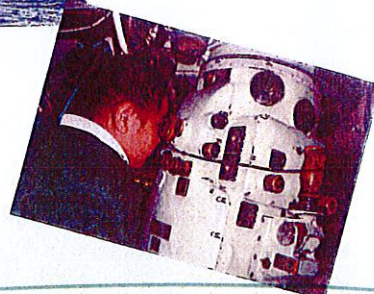

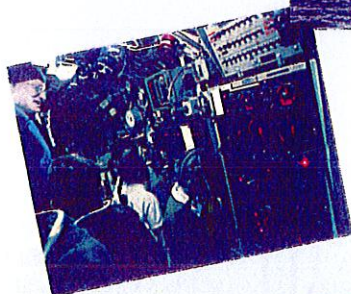

"My favourite part of the day was when we went on the ferry because the ferry was tipping from side to side." By Aldrin Ocampo 1B

"My favourite part of the excursion was when we went on the ferry because it was my first time on a ferry." by Kingston Tauaifaga 1B

"Year One went on their gigantic excursion to the city. We saw lots of different types of transport. We explored a Navy Destroyer, a submarine and the galleries at the Australian National Maritime Museum. We also got to go on an antique ferry ride around the harbour. We went under the Harbour Bridge twice! We also saw the Opera House. We took a ride on the RiverCat part of the way home as well. We had a fabulously amazing day and we want to go again!" By 1G

"On Friday, 5th June Year One and the teachers and some mums went on a big bus. We went on an exciting excursion to Sydney. I liked when we got onto the submarine because it was fun looking through the periscope. I felt excited and tired and fabulous. It was a great day." By Louise Reyes 1R

"On Friday, 1W went to the city for a big excursion. We went to the Maritime Museum and we travelled on lots of transport. First we got ready in our groups and then we got onto the bus. Then we travelled to the city and ate recess near the Maritime Museum. After that, we put our bags in the lockers. Then we went into the Museum. When we got inside it was big! My favourite part was when I saw the giant axe. It was really cool!" By Andrei Jambalos 1W
