First Week of Term 2

Dear Parents and Guardians,

Welcome back to another term. I hope that you enjoyed the break from making school lunches and ironing and preparing uniforms even if you still had work commitments.

I know the children were ready for a break by the end of the 11 week term.

On the last day of term we held "Good Shepherd Day" as the feast of the Good Shepherd fell in the holidays.

This was a great day for the students and staff. The day started with a beautiful Liturgy and was followed by the activities and games for all classes. Our teachers who were on the organising committee went to a lot of trouble to make sure it was memorable. Congratulations to all involved!

NAPLAN 2018

The 2018 NAPLAN tests will be conducted over three days from **Tuesday 15th May - Thursday 17th May**. For students in Years 3 and 5, there are four tests covering:

- numeracy,
- reading,
- writing and
- language conventions (spelling, punctuation and grammar).

The assessments are an opportunity for students to demonstrate what they have learned in class.

The NAPLAN test results and the student reports are released in September.

The results provide information about student achievement that can be used to inform teaching and learning programs. NAPLAN tests provide point-in-time information regarding student progress in literacy and numeracy and are intended to complement the wide range of formal and informal assessments that are already conducted in schools. NAPLAN test results are not intended to be used in isolation from other school-based assessment programs. Further details will be sent home closer to the date.

FRIDAY 18 MAY 2018

Primary school aged children across Australia will make those important steps towards a healthier future by participating in National Walk Safely to School Day on Friday 18 May 2018.

Apart from the physical benefits, regular walking also has a favourable impact on their cognitive and academic performance.

The annual event, now in its 19th year, encourages primary school aged children to build walking into their daily routine, by walking to and from school, not just on Friday 18 May, but every day. For more information please refer to website: www.walk.com.au/wstd

**FOR IMMEDIATE RELEASE
20 April 2018**

The Ponds forum

The new \$400,000 Riverstone Skate Park and the \$33 million upgrade to widen Hambledon Road lead the agenda for Blacktown City Council's latest *Have Your Say* forum.

Staged on Monday, 30 April at 7pm where residents get a chance to take advantage of the open forum session to raise neighbourhood questions directly with Councillors and Council staff.

"At the community forum in Riverstone last year, residents voiced their concerns about traffic safety, and I am proud to tell residents about the exciting plans we have for this area," said Mayor Stephen Bali MP.

"Hambledon Road is being upgraded by Blacktown City Council from a two-lane rural road to a four-lane major urban road," Mayor Bali said.

"This is a high capacity urban road and its reconstruction and widening is essential to improving access within the Alex Avenue Precinct to Schofields Railway Station, Schofields Road and local schools."

"Once completed the new road will act as a regional road network helping to move people through our roads, cater to future growth, improve traffic conditions and unlock land for housing development."

Council will also have designs for the Riverstone Skate Park on display.

Council secured a \$400,000 grant from the Australian Federal Government through the member for Greenway Michelle Rowland MP to deliver a new skate park in Riverstone.

"We want to hear from you. Your feedback is important so that we can deliver a facility Council, the community and the users will be proud of," Mayor Bali said.

Mayor Bali encouraged residents to attend The Ponds community forum and take the opportunity to engage with Councillors and Council staff first-hand.

Mayor Bali will also provide an update on the Energy from Waste (EfW) facility proposed for Eastern Creek which has just been rejected by the Department of Planning and Environment.

"It is encouraging to see more and more residents taking advantage of Council's forums and coming to speak to and hear from their local Councillors," Mayor Bali said.

"Be involved, be informed and be heard."

Forum details: The Ponds forum starts at 7pm on Monday, 30 April at The Ponds Community Hub, 45 Riverbank Drive, The Ponds.

Construction has started on Hambledon Road. Junior Director Christopher Carey, Project Engineer Thet Swe, Councillor Chris Quilkey, Mayor of Blacktown City Stephen Bali MP, Senior Contract Engineer Stephen Painter, Councillor Moninder Singh, Senior Supervisor Bart Martinovic.
