

YEAR FOUR NEWS 2018

Dear Parents of Year Four,

Welcome to the start of a new year. The students have started enthusiastically and seem to be ready for the challenges ahead. It is essential that all students are at school on time. School begins at 8.30 a.m each day.

As you will see from the Year Four Scope and Sequence of Learning, the Year Four students have a lot to cover.

The students will be attending an excursion for History on Tuesday the 20th February. Permission notes and a medical advice form have been sent home for you to complete.

As you are aware there are Department of Education expectations regarding school attendance. Please ensure your child attends school everyday. If your child is sick please inform the office after two days and send a note in with your child upon returning to school.

*Also our school uniform policy is on the website and we ask that your child comes to school in the correct uniform. I particularly draw your attention to **Haircuts** (hair should be neat, no fancy cuts and all sides of equal length) and **Sports shoes(predominately white) and no ankle socks.***

The Year Four students will participate in the Diocesan Religious Literacy Assessment later in the year. This will comprise of creating a visual response to a piece of scripture.

Library Borrowing is on Thursdays and we encourage each student to borrow a book each week. Physical Education is on Wednesdays and students need to be in their sports clothes.

We hope that we all have a very productive term and if you need to see a teacher please arrange an interview through the office. Please don't just turn up at the door as teachers have duties and meetings to attend to before and after school.

Thank you

Mr. Ian Byrne (Grade Leader)
