Dear Year Six Parents and Carers,

Year Six marks the end of your child's primary school years and we are offering all students the opportunity to purchase a specially printed polo shirt with the names of all the Year Six students on the back and the school logo printed on the front.

The cost for each shirt is \$35.00. To secure your order you will need to return the completed order form and \$35.00 to your child's class teacher by **Monday, February 19** to enable us to place an order.

Your child has had the opportunity to try on the shirts and has indicated their size below.

N.B. We also require your permission to print your child's name on the Polo shirts. Please complete the consent form below.

Kind regards
